Happy holiday season!

The team at the Bay Club would like to thank each one of our members for their support during 2021! We wish everyone a happy holiday season!

Please be sure to check out the calendar for the events at the Bay Club! There are many different events planned over the next quarter. We are having a wine tasting featuring the wines from LPGA great Jan Stephenson! Please check out our second annual Chili Cook-Off. We have "Thanksgiving to-go" for pick up or delivery, and we are offering two limited seating's for Thanksgiving dinner at the club.

We are hosting our annual Holiday Cheer for our members on Wednesday, December 1st at 6pm-please join us for some complimentary food & beverage to kick off the holiday season. Santa will be visiting the Bay Club on Sunday, December 5th-we will have a great photo op for the families! Please check out our calendar for other holiday events!

The social committee is assisting in planning a fun-filled New Year's Eve event featuring a James Bond 007 theme-so please plan on ringing in the New Year with our team on December 31st!

The Bay Club team is continuously working on new ideas, so please continue to share your suggestions and feedback. My goal is to consistently improve your experience at the Bay Club, so we ask that you let us know what kind of activities and services you would like to see offered.

As always, I would like to thank all of our members for their continued support, and patronage! May your holiday season be filled with happiness, good health, and prosperity!

We are all looking forward to a new year-have a great holiday season!

Thank you, Julie

Interview with Krystine

- Tell us a little about yourself.

I was born in Palm Beach Florida and lived primarily in Boca Raton, until moving to Tampa full time in October of 2018. I have two amazing older brothers; one lives here in Florida, one in Alaska. My father has passed, but my wonderful mom is alive and I try to visit often.

- Did you always plan to pursue a career in the wellness industry?

I originally started in the spa & wellness industry while I was in school for graphic art & architecture, but opportunities just kept happening, so I changed my major to Biological Sciences & Health and now here I am nearly 30 years later, owning my 5th wellness facility. I am currently working on my Master's Degree.

- What do you like most about The Bay Club?

I just love the view of the water here at the BC. The sunsets are incredible!

- What is your favorite food?

I like any food that is healthy, when I "cheat" sweet potato fries are my weakness.

- Where have you traveled to? What's on your bucket list?

So far my most memorable trip was snow skiing in Austria. Bucket list tops are probably New Zealand & the Gambier Islands.

- What do you like to do for fun?

I enjoy bike rides, hiking, adventure treks in new places, boating, time with family & friends.

- What kind of music do you enjoy listening to?

I like all types of music, but mostly I like Blues/Rock, Big Band, Light Jazz/Swing.

- Favorite Motto?

"Live like you were to die tomorrow, learn as if you were to live forever"
- Gandhi

Josh's Classic Meatballs

With a family recipe originating generations back, Sous Chef Josh has perfected his take on the perfect Italian meatballs. A Bay Club favorite for years, they formally joined our menu as "Josh's Classic Meatballs" this fall, served with fresh marinara and ricotta cheese. Try Josh's famed recipe at home, serving approximately six guests, or 12 four-ounce meatballs.

- 1 Pound Ground Pork
- 1 Pound Ground Veal
- 1 Pound Ground Beef
- 1 Green Bell Pepper
- 1 Yellow Onion
- 2 Tablespoons Salt
- 1 Cup Parmesan Cheese
- 1 Tablespoon Dried Oregano
- 1 Tablespoon Dried Basil
- 4 Cloves Minced Garlic
- 2 Eggs
- ½ Cup Italian Breadcrumbs

DIRECTIONS:

1. Roughly chop the green bell pepper and yellow onion. Add to a food processor, and puree to a smooth consistency.
2. Combine ground meat, seasonings, parmesan cheese, eggs, and breadcrumbs in a large mixing bowl.
3. Add the green bell pepper and onion mixture to the other ingredients and combine well. A stand mixer is recommended for this step, but do not over mix.
4. Form the mixture into 4-ounce meatballs and place on a baking sheet.
5. Bake at 350 degrees for 15 minutes.
6. When done, remove meatballs and place in beef stock or your favorite marinara sauce for added flavor and moisture.
