POOL OPEN SUNRISE TO SUNSET

Letter From The Board

Dear Bay Club Members,

We are very pleased to announce the hiring of Joe Meyer as the General Manager for the Bay Club at Westshore.

Joe has significant private club experience along with a very strong skill set to lead the Club into the future. He started his career at the Ocean Reef Club in Key Largo and served as General Manager for the Pass-a-Grille Yacht Club and The Treasure Island Tennis & Yacht Club. He then served as General Manager/ Chief Operating Officer for The Pasadena Yacht and Country Club in St. Petersburg for over twelve years with 725 members, an 18-hole championship golf course and marinas with 100+ slips. For the past four years Joe has served as Managing Director of a privately owned portfolio of five golf clubs in Colorado.

Joe has achieved the Certified Club Manager (CCM) and Certified Chief Executive (CCE) designations through the Club Managers Association of America (CMAA). Joe served on the Board and was President of the Florida Chapter of CMAA and is looking forward to not traveling between Denver and his home in Madeira Beach.

His extensive private Yacht Club/Country Club experience tipped the scales in his favor over the many candidates that sent their resumes for consideration for the position. After a very thorough search process, the Board was unanimous in choosing Joe for the critical GM position.

The Board is fully aware of the many operational and service level challenges confronting us and we are committed to turn it around. This process will not happen overnight, and we ask for some patience, but we are very confident and excited to have Joe on board to focus all of his abilities on The Bay Club and make our Member experience second to none!

Joe's first official day will be April 27th, so we hope you meet him over the next few weeks or at the Members only New Beginnings / Cinco de Mayo Party scheduled for May 5, 2022, from 6pm to 9pm with complimentary food, beer, wine, and liquor.

Joe was born in Cincinnati and moved to Key Largo in his early teens. He moved from Key Largo to the Tampa Bay area after his management career began at the prestigious Ocean Reef Club and he has spent the last 25 years living in the Tampa Bay area. He is married to his wife Yvette and has two children. Their son Jordan is a graduate of UCF and Stetson Law School and currently serves as an assistant state attorney and felony prosecutor for the state of Florida. Their daughter Blake graduated from the University of Florida and will be graduating from Florida State University Medical School next year.

We believe Joe is the right fit for the Bay Club and we look forward to seeing him and his team put their collective stamp on the Club which will provide the residents a consistently excellent experience each time you visit.

Please join us in welcoming Joe to our community. Thank you again for your patience and input during this transition period as we are poised for many good things at The Bay Club at Westshore!

Best Regards,

Your Westshore Yacht Club Master HOA Officers

- Art Everson, Ron Floto, Mike Stanley, Justin Niederer
