WELCOME FROM JIM MUSICK

To Our Members:

My how time flies when you're having fun!

It doesn't seem that we have been here a month already. The recent announcement by the Board naming me as the GM for your Club comes with great responsibility and one that I certainly look forward too.

As Katherine already mentioned you have a beautiful Club here and our goal is to match the quality of our service, food and social events to equal our surroundings. All we request is that you please be patient while we work through some of the issues that we have encountered.

As for me, I am a graduate of the University of Kentucky with a degree in Business and Civil Engineering. I took a position with a large engineering and construction firm and elevated in the company to a VP level. After 21 years of service I decided I had experienced enough traveling and went back to school and got a degree in Club Management with the goal of owning and operating a country club which was achieved in 2001.

As Katherine also mentioned we have 3 beautiful daughters that we have enjoyed watching grow up and achieve in their chosen professions. In my time away from the Club I enjoy playing golf and traveling.

Again, thank you for the opportunity and look forward to meeting many more of the Members here at the Bay Club. Please remember my door is always open.

My name is Bridget Kessler and I have recently accepted the position of Food and Beverage Director at your club. I look forward to meeting all of you. I moved to Florida from Philadelphia, Pennsylvania 9 years ago to Wesley Chapel with my two children, Falyn (12) and Jase (11). We are big on spending time as a family and do a lot of outdoor activities. I have two dogs and a cat, Luna, Atlas and Chloe. I previously worked as the Event Coordinator/F&B Director at Lake Jovita Golf and Country Club Food and Beverage Director at Troon Golf, and Operations Manager at Xude Hospitality. I have experience in all departments of a private and semi-private club facilities. I am very excited to have the opportunity to make a positive influence in the future of The Bay Club.

Jonathan Langford/Executive Chef
jlangford@bayclubatwestshore.com 813.489.1419x309

My name is Jonathon Langford, you may all know me as, Chef Jonny. I have worked in the industry for 18 years. I found my passion for cooking when attending Chamberlain High School culinary program and grew from there. I'm glad to be one of the lucky few that can say, "I enjoy what I do for a living".

I am a Tampa born Floridian and like many people enjoy the outdoors, water and sporting events. I am a Buccaneers & Lightning fan all the way!!! My Dad and 2 brothers live here in Tampa. My Mom lives in Colorado, so I always try to visit as much as time allows.

I recently came from Temple Terrace Golf & Country club where I was the Executive Chef for 8 years. Everything I have learned has been through years of dedication, research and pushing myself to new limits. I have put a lot of hard work and sacrifice into my profession and look forward to my new location with new members and new exciting adventures.

Katherine Musick/Member Relations &/Marketing
kmusick@bayclubatwestshore.com

Hi Members! It has been a pleasure over the last month meeting many of you. I am excited to be at your beautiful Club and look forward to great adventures ahead. Jim and I have lived in Tampa for about 4 years. We moved here from the East Coast of Florida where we owned and operated a Golf and Country Club for 16 years. I have a degree from the University of Central Florida in Hospitality Management and have worn many hats over the past 25 years. Membership and Member Relations has always been one of my favorites.

We are blessed to have 3 daughters, one who resides in Kentucky and the other two who live in Tampa. We have two fur babies, so Yappy Hour was great to see! In my spare time I enjoy reading, playing tennis and spending time with my family.
