Holiday Dinner

**Sunday, December 31st**

NYE Celebration

## Fitness Classes

Our first month of fitness classes has been a great success. We hope you are enjoying the schedule and variety.

We are happy to add Zumba into the mix beginning on July 22nd. Hazel Ramos will be teaching that class and is excited to be back at the Club.

Please find a fitness calendar below that can be printed. We will keep you posted on any changes that take place.

Registration is no longer required.

# Club Update

## FROM JIM MUSICK

TO OUR MEMBERS:

My how time flies when you are having fun!!!

This month marks the one-year anniversary of us being here at The Bay Club. On behalf of all our Staff we want to thank each and everyone of you who have been patient and supportive of our efforts to make this Club a better place.

In conjunction with your Board of Directors, the Committees and our staff, we do hope you have seen improvements in your Club. We fully realize we have a way to go to get this Club to a point that will meet all your expectations, but our efforts will continue to get us there. We also want to take this time to thank you for making reservations and participating in the member events here at the Club. Making reservations for these helps us control food costs and staffing levels to insure we are providing a quality event.

We have started another item that will help us serve you better. You may have noticed that we have placed a comment card for you to complete when signing your check (please ask your server if you did not receive). Please take the time to complete one of these as this gives us instant feedback on how we are doing. George Equizi, our F&B Manager, reviews these with our service staff and in our staff meetings. It will only make us better!

We have seen significant upgrades to our Club this past year. Projects that are noticeable like the pool furniture and projects not so noticeable like the new flat roof, A/C units, pool repairs in equipment and leaks, kitchen equipment, and a new operating system. Projects that are on the horizon are a new sound system for the Club and pool area, additional A/C units that are aging out, pool refinishing, Club landscaping upgrades, revising our Club website to make it more member friendly and much more. In closing, we strongly encourage you to give us feedback on your experiences and make any recommendations or suggestions for events, menu items, anything that will make us better.

Thank you and remember ..... the door is always open!

Jim Musick

# Club Update

FROM YOUR BOARD OF DIRECTORS

We hope our members are enjoying the first few weeks of Summer and can take advantage of the new activities being offered at The Bay Club. Feedback has been very positive regarding the in-person fitness classes, karaoke nights and new trivia format. The Social and Amenities Advisory Committees are working to create events and venues that align with member interests and requested changes so keep an eye out for other new events on the Club's calendar.

Over the last several months, we've seen a few updates at the Club. The most visible is the pool furniture refresh with new umbrellas. Thank you for your patience as we phased our way through that project and had reduced seating options during our peak season.

We have many other updates planned to include a new sound system throughout the Club and on the pool deck, improved cable TV and internet access to offer a better user experience throughout the facility and in the fitness center, and an app-based program you can download to your phone to place food and beverage orders and track your account information.

We hope these projects and programs are enhancing your level of enjoyment and elevating the image of The Bay Club. Have a great summer and see you at The Bay Club.

# Club Update

FROM GEORGE EQUIZI

Thank you for a warm welcome to the Club. I am enjoying meeting you all. Please reach out to me if I can help in any way including any comments or suggestions.

With the heat of Summer upon us we will start to bring you some refreshing, cool cocktails. Keep an eye out for weekly updates. I am also in the process of meeting with various wine vendors. Once we narrow down the selections we will have you come sample and help select your favorites for our house wine.

Summer storms will be here soon, please be aware that we will not deliver food in heavy rain or lightning!

I look forward to seeing everyone on the 4th.

George

# Billing Update

Thank you for your continued patience as we work on our new web-site that will feature a member log-in portal. Stay tuned for additional information once we are up and running.

As we have mentioned, we are now e-mailing all member statements. Statements should hit your inbox between the 1st and 3rd of the month. They will be delivered from [billing@bayclubatwestshore.com](mailto:billing@bayclubatwestshore.com). If you do not receive please check your junk mail. In addition at the close of your ticket after service a copy will be e-mailed to you from that same address. If you are not receiving this please reach out to me so we can verify your e-mail.

If we do not have you set-up on Pre-Authorized Payment please give me a call so we can do so. This is a great method of payment and less work on you. Please note that late charges will once again apply on your July statement. In addition if your account is 60 days past due charging privileges will be suspended until paid in full.

To our Non-Resident Social members, your semi-annual dues will appear on your July statement.

Lastly it is very important that you bring your member ID cards with you when you visit the Club. This helps the staff ensure they are charging to the correct person/member number. We have many last names that are the same as well as first names.

If you have any questions please let me know. You can reach me via phone at 813.489.1408 x308 or e-mail at [kmusick@bayclubatwestshore.com](mailto:kmusick@bayclubatwestshore.com).

Thank you-  
Katherine
